### How to use the EHIC (Carte Européenne d'Assurance maladie)?

1. **Get your EHIC:** Apply for the EHIC before you leave, it's free and mandatory if you don't have private insurance.
2. **Use it for care:** Show your EHIC to access public healthcare abroad at reduced cost or free, Note: most medical centres in Ireland are private and do not accept the EHIC.
3. **Get reimbursed:** If you pay upfront, don't worry. The EHIC allows you to claim reimbursement for covered medical expenses within the EU/EEA.

## General Insurance

Having insurance is very important when you study abroad, as it will cover all your hospital expenses and repatriation if needed as well as personal liability. If you do not have insurance at the moment, EM Normandie partners with two different providers
